## CALGARY EXHIBITION AND STAMPEDE

### SALON OF PHOTOGRAPHY

(Black and White Section)

There is always a fascination, for those who produce or appreciate fine Photographic Art, to look upon a collection of this medium and to appreciate the efforts put forward by the exhibitors. This year's Salon shows a wide range of subject material, well handled, which will, of course, create much comment.

As the years have passed, the Stampede Salon has attracted an ever increasing number of entrants from Europe, Asia and Africa. We appreciate their interest, and are pleased to state that the calibre of work has shown a very high standard.

We thank all those who have submitted their work; also those who so willingly gave of their time; and particularly the Judges, Mr. Roland Stillings, Calgary; Mr. John Barres Walker, Ralston, Alberta, and Mr. Hector Elliott, Calgary.

## PICTORIAL PHOTOGRAPHY

by

GORDON M. TRANTER, A. R. P. S.

Mr. Tranter, for many years, acted on the Fine Arts Committee of the Stampede, as Associate Director, Vice-Chairman, and also Secretary of the Photo Salon.

It seemed that, in nearly every case, since 1914, where there was a display of photography at the Stampede, Mr. Tranter's name was linked with it. He has now retired and is a resident of Victoria.

He was an enthusiastic Pictorial Photographer, and Photo Salon Exhibitor, as well as a judge in both black and white, and color.

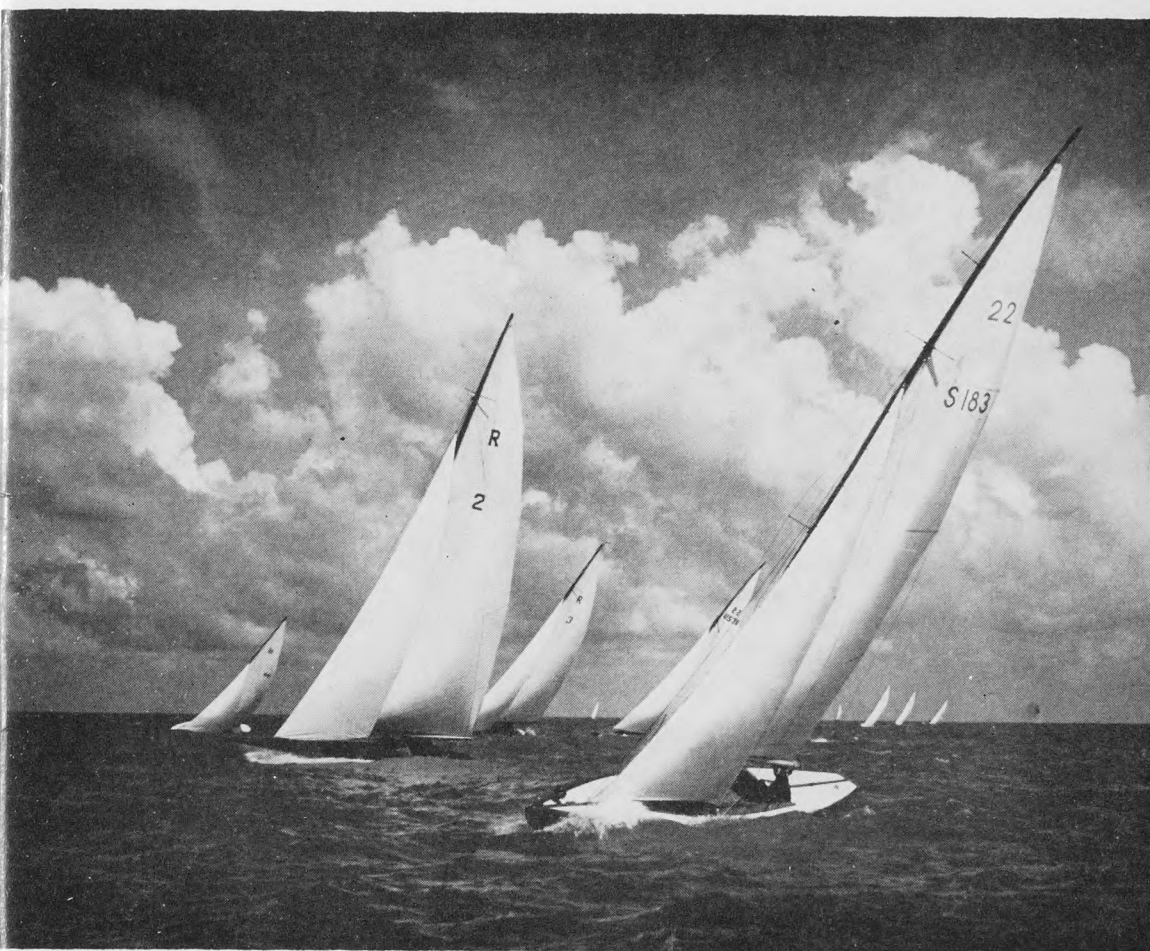

The Exhibition Board has taken this opportunity to show, in a small way, its appreciation for his long and valued service, and to wish him well.

## CALGARY EXHIBITION AND STAMPEDE SALON OF PHOTOGRAPHY

(Colored Slide Section)

The Second Annual "International" Exhibition of Color Photography received an increase in entries in the Pictorial Division and many entries in the added Nature Division. We appreciate the response shown by color photographers in several countries.

Competition was much keener than last year, and those whose slides were accepted will know that their work was of a very high calibre.

The judges were: Mr. Dick Bird, F.P.S.A., A.R.P.S., F.Z.S., Regina, Saskatchewan; Mr. Len Chatwin, Montreal, Quebec; Mr. Percy Scarfe and Mr Bert Ellison, Calgary. Their patience and deliberation were a credit to them.

The Committee was comprised of members of the Foothills Branch (Calgary) of the Color Photographic Association of Canada and of the Calgary Color Photo Club. They spent many arduous hours processing the slides through the various stages. It is through such wonderful co-operation as this that the Calgary Stampede has attained such an enviable position among the Exhibitions on this continent.

A treat is in store for those who will be able to view this Exhibition of Color Photography.

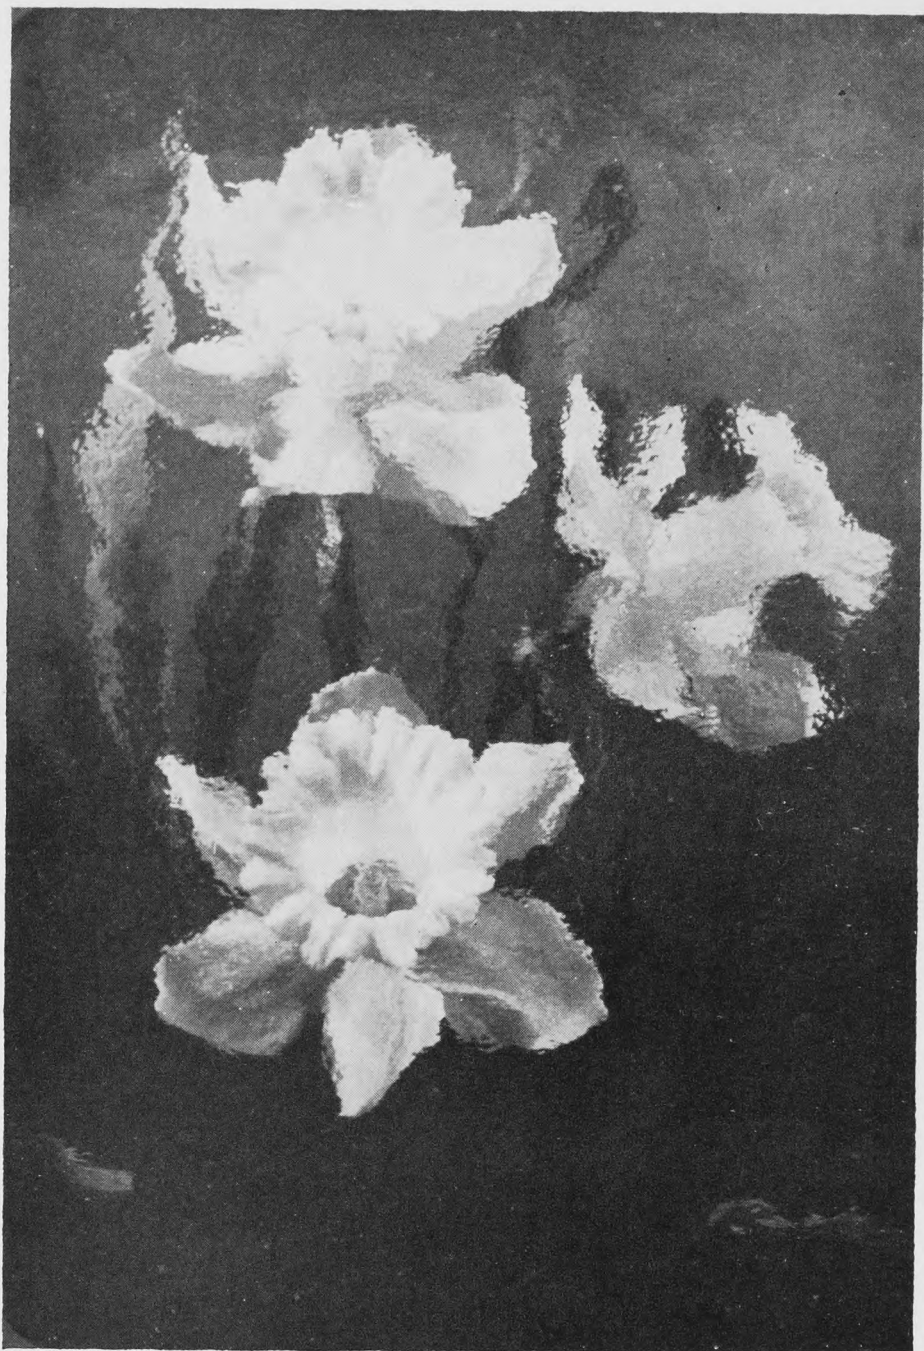

ALEX W. BARBOUR,  
Joint Chairman  
of Participating Camera Clubs.
